

10<sup>th</sup> Annual Emirates  
Cardiac Society  
Conference

ACC Middle East  
Conference 2019

# HEART FAILURE

[www.ECS-ACC.com](http://www.ECS-ACC.com)

OCTOBER 3 – 5, 2019  
INTERCONTINENTAL, DUBAI, UAE

GLOBAL EXPERTS. LOCAL LEARNING.

## MISSING LINKS IN CHRONIC HEART FAILURE MANAGEMENT

- Update on Medical Therapy for HFrEF and HFpEF
- The Multidisciplinary Management of HF
- Role of Biomarkers in HF

## COMORBIDITIES IN THE HEART FAILURE CLINIC

- When and How Should Iron Deficiency be Treated in Heart Failure?
- What do Heart Failure Specialists Need to Know About Diabetes?
- Obesity Management in HF: Does it Help?

## BEYOND HEART FAILURE: UNIQUE CARDIOMYOPATHIES

- Genetic Causes of CMP
- Modern Diagnostic Approach to Cardiac Amyloidosis
- Challenges in the Management of Hypertrophic Cardiomyopathy
- What is Stress-related Cardiomyopathy?

## ACUTE HEART FAILURE SYNDROMES: NEW AGENTS, NEW MONITORING, NOVEL APPROACHES

- Practical Aspects in the Management of Acute Heart Failure Syndromes
- Cardio-Renal Interactions in the Acute Heart Failure Patient
- Remote Monitoring and the Impact on HF Admissions

## ATRIAL FIBRILLATION AND HEART FAILURE: A TWO-FACED COIN!

## WHAT'S NEW IN CARDIO-ONCOLOGY?

- A Case of Chemotherapy Induced Cardiotoxicity
- Novel Diagnostic Modalities for Early Detection of Cardiotoxicity
- Prevention and Treatment of Cardiotoxicity
